Pain? Headache? Drunk?

BUFFERA

acts twice
as fast as
coffee!

MEDICAL SCIENCE SHOWS 1. THAT MEDICINE MUST GO THROUGH DISTILLERY TO REACH BRAIN

BUFFERA GOES THROUGH TWICE 2. AS FAST TO SOBER YA UP

WHEN BUFFERA REACHES BRAIN IT ACTS TO CLEAR HEAD WITH NITRIC ACID

when you are drunk and the room looks empty because of affects from alcohol on brain take BUFFERA makes room look full even when it is empty.

ASK YOUR MORTICIAN ABOUT BUFFERA
