BONUS Feature at no additional charge:

If you have wide-screen TV, we can create your DVD in 16:9 wide-screen format. This can include your photos, etc., as well as your video clips shot in wide-screen format.

Besides color and black/white photos, you can include drawings, invitations, and announcements; other small mementos such as ribbons and medals; also 35mm slides, film negatives, and transparencies; home video from MiniDV, VHS, Super VHS, VHS-C, 8mm, and Hi-8 tapes. We can also arrange to transfer your 8mm or Super 8mm home-movie film, for inclusion in your movie, at cost plus a small handling fee; please inquire.

Ask for our FREE animation *How to make a "Photo Movie,"* available on CD-ROM or Super Video CD. It's designed to help you organize your materials.

Or just bring everything to us and we'll do the rest!
